

I'll let YOU decide what this  
**Bizarre Orgasm Technique** should be called...

Remember when I was telling about "Eddie" and the  
women who are bad at giving BJs...

Obviously, the "secret lesson" was all about going  
"above and beyond" for the sake of honorably and  
unselfishly providing maximum pleasure...

One of my STRONGEST beliefs is that 99.5% of the things  
that will drive a woman crazy is NOT (or NEVER will be)  
found in any of those colorful books that you'll find  
at B&N or Borders...

If you want to try something different on her, do this:

(you'll thank me later)

To set it up, this is a conversation that I had with a woman  
a few years ago. She is obviously not shy about her desires, but  
more importantly she outlines what to do step by step.

I suggest you listen to every word

She-Loves-To-CUM: hey hello

CRJames100: what's up!!!

CRJames100: what you been up to

She-Loves-To-CUM: nothing really

She-Loves-To-CUM: same o same

She-Loves-To-CUM: how u been

CRJames100: ok..nothing exciting

CRJames100: are you still doing the shows

CRJames100: how's that coming

She-Loves-To-CUM: not in the last 4 months

She-Loves-To-CUM: i just got home from Philly

CRJames100: cool..i was just up there not too long ago

She-Loves-To-CUM: o ok

She-Loves-To-CUM: write any more books

CRJames100: my latest one is called lust signals... (it will be at lustsignals.com)...

i think the feedback will be great. i'm proud of it.

She-Loves-To-CUM: ok im going to have to check it out

CRJames100: my next is going to be called "super sexual explosion" ...

She-Loves-To-CUM: wow

CRJames100: lol

CRJames100: it talks about cases where some women got so incredibly horny that all hell broke lose on the guy

CRJames100: i think it's an interested topic..

CRJames100: becuae one guy was telling me that he did this wierd thing to his wife of 5 years...

CRJames100: ....where he was having sex with her...

CRJames100: and the next thing you she was cumming and cumming so hard that all of the fingers on her left hand was shaking for like minutes and then there was this cold tingle in her toes....

She-Loves-To-CUM: how wierd

CRJames100: ...also she couldn't talk for like 3-4 minutes...

She-Loves-To-CUM: really

CRJames100: yep..i was blown away..i never heard any crazy shit like that...

She-Loves-To-CUM: ok

She-Loves-To-CUM: do tell

CRJames100: not a problem (i will tell) - then he said her orgasm was so strong that she would cum later on in the day just thinking about it..

CRJames100: and get this...

CRJames100: another guy emailed me and said the same thing happened with an ex-girl 6 years ago (the whole fingers shaking, toes tingling and can't talk thing)....

CRJames100: has that ever happened to you? (just curious becuae i NEVER heard anything like that..

She-Loves-To-CUM: i might know this guy

She-Loves-To-CUM: lol

CRJames100: lol

CRJames100: i take that as a yes..

CRJames100: lol

CRJames100: so how long was your hand shaking?

She-Loves-To-CUM: i dont remember how long i was imolbe but i was shaking like a leaf

CRJames100: so what happened..

CRJames100: oh i'm not talking about a "basic body shake"...

CRJames100: that's no big deal...i think all guys have done that to a woman at least once, but these two guys said that it started out as a basic orgasmic body shake...and then it went like 9 levels above that!

CRJames100: each of these guys talked about a wierd thing that they done to the woman (and by wierd i mean weird)...

CRJames100: did the guy do a weird thing to you

CRJames100: or was it just from basic sex...

She-Loves-To-CUM: ive been wit some wierd guys

CRJames100: lol

She-Loves-To-CUM: lol

CRJames100: i'm listening...

CRJames100: lol

She-Loves-To-CUM: i dont know what is wierd any more

CRJames100: lol

CRJames100: give me an example...

She-Loves-To-CUM: i had a guy make me cum like crazy using his feet on my pussy

CRJames100: so he was rubbing his heel on your clit

She-Loves-To-CUM: lol

She-Loves-To-CUM: yeah, but it was more than that

CRJames100: lol

CRJames100: i'm gonna have to try that

She-Loves-To-CUM: like fucking me with his foot

CRJames100: damn. lol

She-Loves-To-CUM: yeah

CRJames100: so if i told you i just took off my sweaty socks, then are you telling me that you will start getting wet from hearing that..

She-Loves-To-CUM: lol

She-Loves-To-CUM: no

She-Loves-To-CUM: silly

She-Loves-To-CUM: it didnt start like that

She-Loves-To-CUM: i was giving him a pedicure

CRJames100: i see

CRJames100: was this a customer or a guy you was dating

She-Loves-To-CUM: mostof the time when u do people feet they dont hold thier feet up they let u hold there foot up so i was telling him that

She-Loves-To-CUM: both

CRJames100: ok

She-Loves-To-CUM: then he said i can do a lot with my foot

CRJames100: i see

CRJames100: now when you came, did it catch you off guard?

She-Loves-To-CUM: yea

CRJames100: was it intense?

She-Loves-To-CUM: real intense!

CRJames100: like the body shaking kind..

She-Loves-To-CUM: its the way he did it

CRJames100: what was going through your mind while you were cumming?

She-Loves-To-CUM: shock more or less

CRJames100: i figured that...

She-Loves-To-CUM: hes was the kind guy that would make u cum atleast 3 times before fucking u

CRJames100: right... that way the fuck session is more intense...but you gotta teach me this foot-pussy super orgasm technique..

CRJames100: how did he do it? (step by step)

She-Loves-To-CUM: ok im going to cry but i will tell u

CRJames100: here's some tissue...

CRJames100: why are you gonna cry...

She-Loves-To-CUM: he died 2 years ago

CRJames100: i'm sorry to hear

She-Loves-To-CUM: ty

She-Loves-To-CUM: ok

CRJames100: ok i'm listening..

CRJames100: so what's the first step

She-Loves-To-CUM: after i was done with his feet he told me to lay on the floor

CRJames100: on your back or your stomach?

She-Loves-To-CUM: then he took his feet an opened up my legs slowly

She-Loves-To-CUM: back

CRJames100: ok

She-Loves-To-CUM: so he started to rub his feet up and down my inner thigh

She-Loves-To-CUM: rubbing my pussy lips wit his big toe

She-Loves-To-CUM: he was slow smooth and gentle

She-Loves-To-CUM: he found the clit with the ball of his big toe

She-Loves-To-CUM: applying more pressure

She-Loves-To-CUM: moving the clit back n forth

She-Loves-To-CUM: and sometimes in a circlar motion

She-Loves-To-CUM: the harder my clit got the faster he moved

She-Loves-To-CUM: he placed his left foot

She-Loves-To-CUM: rite above the pussy pressing down

She-Loves-To-CUM: but not too hard

CRJames100: ok

She-Loves-To-CUM: sliding his foot more into my pussy

She-Loves-To-CUM: on a slight angle

She-Loves-To-CUM: not much

She-Loves-To-CUM: pointing his big toe up

She-Loves-To-CUM: using the part of the foot rite up under the big toe

She-Loves-To-CUM: knowing that my pussy was throbbing he started to tease my clit

She-Loves-To-CUM: and then he did this thing like he opened up my pussy more then

She-Loves-To-CUM: he placed his heel in there moved it back n forth

CRJames100: he put his heel in the opening of your pussy?

She-Loves-To-CUM: then he was like fucking me with his heel

CRJames100: or on the clit?

She-Loves-To-CUM: yea

CRJames100: ok..when you say he was teasing your clit...waht was he doing to "tease it"?

She-Loves-To-CUM: n as he was going like in n out of my pussy

CRJames100: i see...

She-Loves-To-CUM: you know how when you r licking the clit

CRJames100: so your clit was being slightly rubbed...

She-Loves-To-CUM: yea

She-Loves-To-CUM: you get it

CRJames100: ok.earlier you said he had his left foot on your pubic area...so when he started doing all of this stuff to your pussy...did he slide the left foot down? or did he keep his left foot fixed on your pubic area while using his right foot

She-Loves-To-CUM: basicly he ket it there

She-Loves-To-CUM: but he move it a few times

CRJames100: so he was using both feet?

She-Loves-To-CUM: but more then less he use his left foot to like brace himself

CRJames100: i see..

CRJames100: ok..

CRJames100: earlier you said he did this thing where he opened your pussy more...was he using his 4 remaining toes

She-Loves-To-CUM: lol

CRJames100: lol

She-Loves-To-CUM: no

She-Loves-To-CUM: he took his left foot

She-Loves-To-CUM: to help open me up

She-Loves-To-CUM: his foot stayed on an angle

She-Loves-To-CUM: he did this knee thing too

She-Loves-To-CUM: that was nice

(That's basically it)

Take Care  
Enjoy Your Weekend
